15 March 2021

Dear Parents

We have a very exciting week next week as we start our new DT project – designing and making our own pizzas. Following research and taste testing, the children will be designing their own pizza on the afternoon of Monday 22 March 2021. From this, they will create a shopping list of the toppings that they will need. They will be sent home with this list on Monday and their ingredients will need to be brought into school with them on **the morning of Thursday 25 March 2021**. The school will be providing the ingredients to make the dough base but unfortunately, cannot provide toppings.

Please can you ensure:

- All the toppings are nut free in accordance with our school policy.
- Any meat is cooked prior to bringing it in.
- Children bring their own ingredients and do not share with others.

As always, thank you very much for your help and support. We have no doubt this will be a brilliant and enjoyable experience for the children.

Please let us know if you have any further questions or concerns.

Yours sincerely

Miss Hotston,

Miss Deller,

Mrs Wills
