Dear Parents and carers,

In Nursery we are looking to enhance our role play provision by including resources from different cultures and ethnicities. This could be items such as spice pots, tagines, chamba pots, a chapatti rolling pin, packaging from different countries. Anything that you use at home in everyday cooking would be greatly received.

If you feel that you have anything that you no longer use and that you would like to donate to the Nursery, we would be very appreciative. Please can it be brought into Nursey in a carrier bag where we will quarantine it for 72 hours and clean it before we use it with the children.

Many thanks

Jacqui
