

26 February 2021

Dear Parents,

### Virtual Celebration Assembly

The home learning celebration assembly for week ending Friday 26 February 2021 is available at the following link:

[26.02.2021 - Home Learning Celebration Assembly - YouTube](#)

Be sure to tune in to find out if your child has won one of our new Star of the Week rewards which have been kindly donated to the school by Sainsburys in Portswood Road.

Please try to find the time to watch this with your children at home. Assembly forms a part of every school week and we would encourage all of you, that can, to join us in celebrating home learning work.

The assembly includes sharing of work from home, house point updates and the awarding of Star of the Week from amongst those working at home.

Yours sincerely,

Jeavon Leonard

Vice Principal
