

Nursery Learning Journey

Week beginning: 3rd May 2021

This week our topic is 'People who help us'.

This week we will be looking at 'People who help us' focusing mainly on Doctors and Nurses.

During adult led 'Rainbow times' children will be learning about hospitals and creating x-ray type pictures. During 'Discovery time' children will be playing in the hospital role play area; bandaging their teddies and friends as well as making everyone feel better again.

Please remember:

Nursery will be closed on Monday 3rd May as it is a bank holiday.
Please make sure that you send your child to Nursery with suitable clothing and footwear.

Home Challenge

Can you make your own ambulance?
How many wheels will it have?
What colour will it be?

You could use:

- scissors to cut materials
- pens to colour
- paint to decorate it

Please bring them in to show your keyworker.

How you can help at home

- ✓ Talk to your child about the role of doctors and nurses, and what they do when you feel poorly.
- ✓ Please can you send in any boxes, containers, tubes you have so that the children can use them to make ambulances. Thank you

Can you?

- Can you count to 10? Can you write your name? Can you ride a bike? - Can you recognise any numbers?
