Year R Learning Journey

Week beginning: 4th May 2021

This week we will be learning about The Jungle

The children will be learning about The Jungle. In Literacy they will be writing jungle animal descriptions using 'wow' words. In Maths we will be comparing numbers and talking about the language more, less, same and equal. In Art, the children will be painting pictures of jungle animals. During Discovery Time we will be role-playing using the jungle animals. We will even have a jungle swamp for the children to explore!

Don't Forget

Thank you to all of the parents who have talked to us over Teams or produced a film to the children about how they help people in their jobs. The children have loved these visits and it has really brought the learning to life.

Sounds of the week:

oa

Words of the week:

We will be practising all of the key words we have learnt so far.

Home Challenge

Can you research about jungle animals? Can you produce a fact sheet for your favourite jungle animal?

Thank you for your support.

How you can help at home

- ✓ Keep practising sounds and keywords <u>every day</u>.
- ✓ Keep practising your reading book <u>every day</u>
- ✓ If you have a computer at home then let your child have a go at typing their name, a list or a sentence.
