

Year R Learning Journey

Week beginning: 19th April 2021

Our topic for the next two weeks is People who help us

The children will learn about all the different people who help us this week. In Literacy we will be writing about the roles of people who help us. In maths we will be learning comparing numbers to 10. During Discovery Time we will be role-playing people who help us such as dressing up as doctors and firefighters.

Don't Forget

Monday 19th April is an INSET day. School starts on **Tuesday 20th April at 8:45.**

We would also love for parent volunteers to talk to us over Teams about how they help people in their jobs. For example doctors, vets, police officers. If you are able do this, please let your child's class teacher know.

Home Challenge

Look at the attached picture with your child. Talk with your child about the different people and the jobs they do.

Thank you for your support.

How you can help at home

- ✓ Talk to your child about people who may help them in their daily lives such as family, teachers, dinner ladies, police, crossing patrol, fire fighters and doctors.
- ✓ Discuss with your child what to do if they become lost and point out safer strangers, such as people in uniforms and also safer buildings that children can go to if they are lost.
- ✓ Encourage your child to tell you how to stay safe when crossing the road.
